## About

Exciting updates from Eleven, your premier dining destination next to the N11!

Indulge in perfectly grilled meats and seafood from our wood-burning grill. Our menu features small plates, sharing dishes, and classic Sunday Roasts that locals adore. Live Jazz/Blues performances by Dublin's own Niall Lawlor create an unforgettable ambiance.

With a 45-seater dining room, central zinc cocktail bar (seating 20), and a 30-seat communal dining room, Eleven is perfect for private gatherings. We also offer venue hire for up to 100 guests.

Brunch service is now open, offering freshly squeezed juices and curated brunch cocktails. And mark your calendars for August when we open for lunch. Whether it's a power lunch or a leisurely escape, Eleven has you covered.

No need to worry about parking fees —we provide a free car park. So go ahead and enjoy those "heavy nights" without any extra charges! Visit Eleven for an exceptional dining experience, where great food, live music, and convenience meet.
